

New Kids Ministry Spaces

- Single entrance point for increased security.
- No hallways to navigate to get to the Check-In Space.
- Much larger Check-In Space and almost 2 times wider hallway (9-10') to classrooms.
- Nursery at the front and connected to Check-In Space.
- Toddler bathroom in the Nursery. (This also helps increase security.)
- Nursing Moms Lounge is now adjacent to the Nursery.

- More classroom square footage, most of which is configurable.
- Expanded restrooms with showers.
- Slightly expanded storage.

CURRENT FLOOR PLAN

- Multiple entrance points decrease security.
- Major bottlenecks to traffic flow.
 - 1-door entry to hallway
 - Narrow hallways (The main hallway narrows even further after the pod area.)
 - Congested Check-In space
- Nursery is at the end of a narrow hallway and separated from the other kids Check-In space.
