Many of the core teachings of this series are based upon the series, "Lord, Change My Attitude... (Before It's To Late!)" preached by Pastor James MacDonald at Harvest Bible Chapel, Rolling Meadows, IL in the fall of 2000. Since then this material has been assimilated into a book by the same title. We have copies of the book available for purchase at the Connection Center and would encourage you to get a copy. It includes a study guide and will lend even greater insight to Pastor Josh's teaching and your encouragement to biblical life-change as we study Numbers 11-16.

- **New Believers in our Student Ministry** – Pray for those who trusted Christ for the first time at our recent senior high winter retreat. Pray for their growth and courage. - **Catherine Hershberger** – that the Lord would grow her and provide for her as she prepares for a summer missions trip to Africa.
- **Church Leadership** – Pray for God's direction and protection of the men (and their families) who serve in leadership. Pray for wisdom during this transition. Pray for courage to lead boldly. Pray for protection from temptation and the attacks of Satan.
- **Pastoral Search Committee** – Pray for continued unity and the Spirit's clear direction. Pray that the vast majority of our church family would participate in our survey and that the results would aid the Search Committee greatly in finding a new pastor.
