Many of the core teachings of this series are based upon the series, "Lord, Change My Attitude... (Before It's To Late!)" preached by Pastor James MacDonald at Harvest Bible Chapel, Rolling Meadows, IL in the fall of 2000. Since then this material has been assimilated into a book by the same title. We have copies of the book available for purchase at the Connection Center and would encourage you to get a copy. It includes a study guide and will lend even greater insight to Pastor Josh's teaching and your encouragement to biblical life-change as we study Numbers 11-16.
